

‘I am giving Razz a break from my life’: Pori Moni

December 31, 2022

The Daily Morning Voice Online Desk: “Happy 31st everyone!” – The message started like any other New Year’s wish. However, what came after in Pori Moni’s status shocked everyone. The actress announced that she has had enough of being with her husband, Sariful Razz, and been separated from him.

am giving Razz a break from myself and am removing myself from this toxic relationship. Nothing is more important than your own health". The status sent shockwaves throughout the entertainment industry, and many stars urged Pori Moni to keep calm and take any decisions later. It has been found that Pori Moni took

her son, Rajya, and exited the premises of the house earlier in the day.
