Online Desk: Afran Nisho, Tama Mirza and Raihan Rahi are in Kolkata and they are all set to release their movie this Friday.

Yesterday, SVF posted glimpses of their promotion. The “Shurongo” team looked super excited engaging in funny banter with popular host Mir Afsar Ali. Afran Nisho, Raihan Rafi and Tama Mirza also enjoyed a hearty brunch with Jaya Ahsan and Srijit Mukherji.

Tama Mirza wore a specially designed ‘Shurongo’ shari with a deep neck sleeveless blouse while Rafi complimented her with Black Punjabi. Afran Nisho opted for a casual black tee and jeans and paired it up with a white hat. The “Dasham Avatar” director Srijit and Jaya Ahsan opted for a casual look as they took a picture to commemorate their union in Kolkata.

Apart from Kolkata, “Shurongo” will be released in New York and Los Angeles on July 21. The trailer for the film was featured on Tuesday at Times Square of New York.
