

Ranbir Kapoor looks fierce in ‘Animal’ first look

January 1, 2023

The Daily Morning Voice Online Desk: The first poster for “Animal”, starring Ranbir Kapoor, has been released. In the poster, Ranbir is seen in a completely new avatar.

The director of the film, Sandeep Reddy Vanga, on the special occasion of New Year, shared the poster on his Twitter handle that features Ranbir in a rugged look. The actor was seen wearing a blood-soaked white shirt and carrying a blood-coated axe between his arms while he lights a cigarette staring at someone. Apart from Ranbir, the film also stars Anil Kapoor, Rashmika Mandana, Bobby Deol, and Tripti Dimri in vital roles. Shooting for “Animal” began in April this year amid the snow-capped mountains of Manali, Himachal Pradesh. This film is slated for a worldwide release theatrically on 11th August 2023 in 5 languages.

Apart from “Animal”, Ranbir will also be seen in Luv Ranjan’s rom-com “Tu Jhooti Main Makkaar” which is all set to hit the theatres on March 8, 2023. The film marks the first on-screen collaboration between Ranbir Kapoor and Shraddha Kapoor. Talking about Rashmika, she will next be seen in “Mission Majnu” opposite Sidharth Malhotra. Set in the 1970s, Mission Majnu is a patriotic thriller with a love story at its core, showcasing one of India’s most covert operations of taking down Pakistan’s efforts of a nuclear attack. Apart from “Animal”, “Mission Majnu” and “Varisu”, Rashmika will also be seen in the much-anticipated sequel of “Pushpa: The Rise”.
