

Dengue: DSCC marks 4 wards as ‘red zone’

August 28, 2023

Online Desk: Dhaka South City Corporation (DSCC) has marked four wards as ‘red zone’. The wards are: 5, 22, 53 and 60. The residents of these wards are under dire risk of dengue, said the DSCC authorities.

DSCC spokesperson Abu Naser said, “Those four wards were listed as ‘red wards’ because more than 10 patients were found in the wards out of 75. Mosquito control activities are intensified in the wards.”
