

Ebadot to miss World Cup due to knee injury

August 30, 2023

Online Desk: Bangladesh pacer Ebadot Hossain was included in the squad for the Asia Cup. He was, later, ruled out of the team owing to his knee injury.

However, the speed star was expected to fulfill his dream to play in the upcoming World Cup to be scheduled in India, coming round of the situation in the midst of time.

Now, there is a big blow to the dream of the right-arm pacer that he is going to miss the World Cup too. A physician in England advised him for surgery. He has to be out of the ground for about nine months after the ligament operation.

A BCB official confirmed the development to the media.
