

Ajay Devgn is ‘Singham Again’

January 3, 2023

The Daily Morning Voice Online Desk: After an eight year long wait, fans will once again see Ajay Devgn in the uniform of a police officer. The “Drishyam” famed actor kicked-off the new year by announcing that he is all set to appear in Rohit Shetty’s upcoming film, “Singham Again”.

The director and actor officially met today for the first script reading. He then confirmed the news by sharing a post on his Instagram account, writing, “Made a good start to the New Year with Rohit Shetty’s narration of ‘Singham Again’, the script is *fire emoji*. God willing, this will be our 11th blockbuster.”

After the success of “Singham” (2011) and “Singham Returns” (2014), fans can expect another action-packed blockbuster movie from Ajay Devgn. To top it all off, Rohit Shetty also recently revealed that he would be introducing Deepika Padukone as ‘Lady Singham’. Fans of the “Singham” universe can expect the film to be released in early 2023.
