

# My first task will be to enhance coordination: Mahbub Hossain

January 4, 2023

**The Daily Morning Voice Online Desk:** Newly-appointed Cabinet Secretary Md Mahbub Hossain said his first task will be to enhance coordination at all levels, in all ministries and offices. “This will be our strength while facing any challenge,” he said while talking to journalists at the Secretariat this afternoon.

Replying to a question on challenges centring the 12th parliamentary election, Mahbub said, “The specialty of the administration is that it runs consistently and continuously, according to the rules and regulations, no matter what challenges we face, we will make sure that this consistency is never disrupted.” “That’s why our first task will be to enhance coordination and cooperation among all ministries and departments.,” he said.
