January 5, 2023

The Daily Morning Voice Online Desk: On January 1, Mahiya Mahi's bid for nomination was rejected by Awami League. Instead, Ziaur Rahman was nominated for the Chapai Nawabganj-2 constituency. However, the actress did not seem to be fazed by the matter. Yesterday, at the election office of Gomostapur Upazila, Mahiya Mahi shared her thoughts on the matter with the press.

Speaking to the media, Mahi said that irrespective of who was nominated for the seat of Chapai Nawabganj-2, she would continue to work for her hometown. With or without the nomination, she planned to continue doing the same thing, which is to focus on the development of Chapai Nawabganj. The "Morichika" actress also noted how Awami League's logo is the symbol for development for her. So, she will be looking to work with Ziaur Rahman for the betterment of Chapai Nawabganj.
