

BNP must hold rally where they will be permitted

October 25, 2023

Online Desk: Additional police commissioner of Dhaka Metropolitan Police Dr Kh Mahid Uddin has said that the BNP must hold their October 28 rally where they will be permitted. Hope that, they will be in that place with responsibility.

Earlier, BNP Secretary General Mirza Fakhrul Islam Alamgir said that they will hold their scheduled rally in front of Nayapaltan if police will not give permission.

Asked about that, Mahid Uddin said, “I have to speak from within the legal framework. I didn’t want to make any comment on anyone’s statements. But BNP must hold the rally where it will be allowed.”

Regarding Jamaat-e-Islami’s holding rally, he said, “We have received an application from the party. The High Court has observations about Jamaat-e-Islami. Party like Jamaat will not be allowed to hold rally in Shapla Chattar.”

Additional police commissioner urged all the political parties to follow the conditions given in the law framework.
