October 27, 2023

Online Desk: Iran's Foreign Ministry Spokesman Nasser Kanaani says the Israeli regime and its supporters will soon be punished by the unwavering resolve and resilience of the Palestinian people for their war crimes in the Gaza Strip. "Soon, the war criminals, the Zionists, and their well-known supporters will kneel before the exemplary resolve, steadfastness, and resilience of the Palestinian people, and they will face the consequences of their crimes," Kanaani said in a statement on Friday.

He also commended the steadfastness of Palestinian journalist Wael al-Dahdouh, who, despite the tragic loss of his family members in a ruthless Zionist attack, remains resolute in delivering the voice and image of the courageous people of Palestine to the world. The entire immediate family of al-Dahdouh, the Gaza bureau chief for Al Jazeera, were killed in an Israeli airstrike Tuesday night in central Gaza. They had moved from the northern part of the besieged territory after the Israeli regime had issued an evacuation order on October 13.
