As part of the rationalized traffic system, movement of vehicles will remain suspended from 12am on Saturday till the Akheri Munajat (Sunday morning) from Tongi to Bhogra Bypass on Dhaka-Mymensingh highway, Khamarpara road, Abdullahpur to Bypile on Ashulia road, he said. The GMP commissioner requested people to use the bypass road to avoid traffic gridlock. The first phase of Biswa Ijtema started on Friday morning and it will end through the Akheri Munajat on Sunday morning.
