

MBBS admission test for 2023-24 session on Feb 9

December 24, 2023

Online Desk: The MBBS (Bachelor of Medicine and Bachelor of Surgery) admission test for the next academic year will be held on February 9, 2024.

The decision was taken at a meeting on the MBBS and Bachelor of Dental Surgery (BDS) admission tests for the academic year 2023-24 held at the Health Ministry on Sunday.

Health and Family Welfare Minister Zahid Maleque presided over the meeting.

Earlier, the MBBS admissions test for the 2022-23 session was held on March 10, 2023.

A total of 1,39,217 applicants competed for 11,122 seats in the medical college admission test.
