

2 more dengue patients die; 106 hospitalised in 24hrs

December 31, 2023

Online Desk: Two more deaths were reported from dengue in 24 hours till Sunday morning, raising the fatalities from the mosquito-borne disease in Bangladesh to 1,705 this year.

During the period, 106 more patients were hospitalised with the viral fever, according to the DGHS.

A total of 725 dengue patients, including 295 in the capital, are now receiving treatment at hospitals across the country.

So far, the DGHS has recorded 3,21,179 dengue cases and 3,18,749 recoveries this year.

September has so far been the deadliest month for the dengue outbreak this year with 396 fatalities and 79,598 cases, according to DGHS data.
