January 4, 2024

Online Desk: Ferry services on Paturia-Daulatdia route, which were suspended as dense fog blanketed the river route, resumed this morning after 12 hours.

Ferry movement on the route resumed at 9:15 am as the fog slowly started to clear, said Mahiuddin Russel, assistant general manager of Bangladesh Inland Water Transport Corporation (BIWTC) at Aricha point.

Russel, said ferry services were suspended due to poor visibility at 9:30 pm on Wednesday night.

Over 3000 vehicles were stuck on both sides of the river.

Three ferries—Shah Paran, Banalata and Keramat Ali—were anchored in the middle of the river due to the suspension of services, causing sufferings to passengers amid cold.

As the ferry services resumed, vehicles carrying passengers were allowed to cross the river first.
