

GP to raise minimum recharge amount to Tk 30

January 9, 2024

Online Desk: Grameenphone has recently announced a significant change in its pricing policy. Effective from January 10, the company has decided to raise its minimum recharge amount to Tk 30.

This development has been communicated to users primarily through notifications on the MyGP app, Grameenphone's dedicated mobile application for customer services.

At present, the minimum recharge value for any Grameenphone number is Tk 20.
