

1000 people get free treatment marking Anwar Hossain's 1st death anniv

February 4, 2024

Online Desk: More than 1000 distress people in Nandail upazila received free treatment and medicine as a medical camp was held marking the first death anniversary of Md Anwar Hossain, former managing director of Khulna Newsprint Mills.

More than twenty specialist physicians from the capital Dhaka contributed the medical camp at Purba Darillah village under Nandail Upazila in Mymensingh from 10am to 5 pm.

Doctors from the discipline of medicine, physical medicine, cardiology, nephrology, ENT, orthopedics, gynecology, surgery, dermatology, ophthalmology and pediatrics volunteered the medical camp, said Assistant professor of Dhaka Medical College and Hospital (DMCH) Dr ASM Tanim Anwar, the younger son of late Hossain.

The elder son of late Hossain, Md Tanzim Anwar, Special Correspondent of Bangladesh Sangbad Sangstha (BSS) lauded the initiative as the camp seemed a relief among the cold-hit distress rural people especially the elderly and children.

Later, a Milad Mahfil was held after the Asr Prayer at Late Hossain's ancestors' residence at the village.

Anwar Hossain, who also served as managing director of Pakshi Paper Mills, Khulna Hardboard Mills and Karnaphuli Rayon and Chemicals Limited, passed away at Dhanmondi Popular Hospital at the age of 78 on February 4 last year.
