January 23, 2023

**The Daily Morning Voice Online Desk:** Students took position beneath the Kaola bridge of Airport Road on Monday again protesting the killing of their fellow student Nadia in a road accident and demanding justice for her. They thronged under Kaola Bridge at about 12:30pm and blocked the main road.

Meanwhile, vehicular movement from Khilkhet to Airport and Uttara roads came to a halt following the blockade. On the other hand, huge tailback created at Mohakhali, Badda and Gulshan areas. Protesting students of Northern University Bangladesh said they are observing the blockade programme demanding compensation and justice.
