

Day-long science fair held at Milestone College

March 16, 2024

Online Desk: A day-long science fair was held at Milestone College on Thursday (14 March) organised by the Milestone College science club.

The principal of Milestone College, Mohammad Ziaul Alam inaugurated the science fair at Kamaluddin Seminar Hall of the college's permanent campus located in Diabari, Uttara, according to a press release.

Adviser of Milestone College Colonel, Nurun Nabi (retd.), Executive Principal of Milestone Preparatory KG School, Rifat Nabi Alam, President of Milestone College Science Club and Vice Principal, Md Mizanur Rahman Khan, and Senior Director (Administration) of Milestone College, Md Masud Alam were present among others.

About 204 projects of students from classes IX, X and XI were displayed at the fair. The principal and the guests of honour visited each project set up from the students' innovative science ideas.
