

LPG price reduced by Tk3.34 per kg

April 3, 2024

Online Desk: The Bangladesh Energy Regulatory Commission (BERC) has reduced the price of liquefied petroleum gas (LPG) by Tk3.34 per kg, establishing the new rate at Tk120.18 per kg, compared to the previous Tk123.52.

This adjustment will take effect from 6 pm on Wednesday, resulting in a decrease in household and commercial expenses.

Consequently, a standard 12kg LPG cylinder will now cost Tk1,442, reflecting a decrease of Tk40 from its previous price of Tk1,482.
