

# Moderate to thick fog likely across the country over 24 hours

February 5, 2023

**Online Desk:** Moderate to thick fog may occur at places over the river basins and light to moderate fog may occur elsewhere over the country — from late night to Monday morning. Weather may remain dry with temporary partly cloudy skies across the country, Bangladesh Meteorological Department (BMD) said in its bulletin. Night and day temperature may remain nearly unchanged over the country, reports UNB.

The lowest temperature in the country was recorded at 10.8 degrees Celsius in Chuadanga district, in 24 hours till 6 am today. The highest temperature was recorded at 31 degrees Celsius in Teknaf during this time. A ridge of sub-continental high extends up to India's Bihar and adjoining areas. Seasonal low lies over south Bay.
