

UNIP Bangladesh chapter president receives honor doctorate

August 19, 2024

Staff Reporter

UNIP UN Bangladesh President Dr Raju Saha along with National Provost Farah Deeba Ismail attended UNIP UN Global Leadership Summit 2024 as special guest, organised by United Nature International Peace Organization held in Sri Lanka on Sunday.

President Dr Raju Saha received his honorable doctorate and gave inspirational speech to motivate the youth where main guest was A Aravindh Kumar, State Minister of Education Sri Lanka and they stayed before the programme at Jaffna Heritage Bungalow.

The conference covered topics such as promoting education, promoting peace, cultural leadership qualities, our contribution to climate change, developing human potential and our contribution to the United Nations.

Experienced educationists and leaders address the event.

Speakers from different countries were present. Sri Lankan Vice Chancellors, Members of Parliament, Ministers and dignitaries attended the event.

UNIP is committed to promoting peace, environmental conservation, and human rights realisation. They are committed to work with 200 nations and several foundations to make the world a better place.

As part of its recent statewide expansion, the organisation formed committees throughout Bangladesh and worked to fulfill its goal and vision and will assist in the actualisation of the Sustainable Development Goals (SDGs).
