

# School admission applications begin

November 12, 2024

**Online Desk :** Online admission applications for classes I to IX in both public and private schools started on Tuesday (12 November). The application process will continue until 5pm on November 30. This year, the admission application fee has been set at Tk110. It must be paid through Teletalk, the state-run mobile service provider.

Students will be selected and admitted through a digital lottery after the application process concludes, as per a notice issued by Directorate of Secondary and Higher Education (DSHE) on 29 October. The admission process will begin on 17 December after the digital lottery and continue until 21 December. Admissions from the first waiting list will start from 22 December to 24 December, and admissions from the second will occur from 26 December to 30 December. Students can apply separately for public and private schools by visiting the link <https://gsa.teletalk.com.bd/>.
