Online Desk : Delaying the election on the pretext of reforms will not be a wise decision for the interim government, BNP Standing Committee Member Khaldaker Mosharraf Hossain said on Tuesday. "I suspect that a faction is trying to delay the election in the name of reforms but it will not be a wise decision. The more the election is delayed, the more the conspiracy will be widened," he said.

While addressing a divisional workshop in Cumilla, Mosharraf also called upon the interim government to announce a roadmap for the 13th parliamentary election shortly after completing the necessary reforms. Claiming that the interim government will not be able to carry out reforms in all sectors, he said a political government is a must to ensure reforms in all state organs. The formation of a political government through an immediate election is a prime expectation of the countrymen, said the BNP leader.
