Online Desk: Coke Studio Bangla also arrived at 6 locations in four divisions, making it a countrywide celebration. New gen musician Pritom Hasan is a part of this season’s CSB – he performed at Dhaka’s Rabindra Sarobar alongside Shayan Chowdhury Arnob himself. “Thank you Coke Studio Bangla for letting me be on stage with Arnob bhai”, wrote Pritom on his verified Facebook page.

Arnob, who shared a wonderful medley with Pritom yesterday, was visibly impressed by his performance. “Thank god you were there, you were absolutely brilliant! I am so proud of you”, wrote the renowned singer-songwriter on that post. It is yet to be seen which song Pritom Hasan makes a rendition of in this season of Coke Studio Bangla, which looks promising in both the audio and visual departments.
