February 18, 2023

**The Daily Morning Voice Online Desk :** The Holy Shab-e-Meraj will be observed tonight (Saturday). The Holy Shab-e-Meraj has a special status for Muslims. Devout Muslims spend this precious night offering Nafal prayers and reciting from the Holy Quran. On this day, many also observe Nafal fast. 'Shab-e-Meraj' means 'Night of Ascension'. According to Muslim belief, Prophet Muhammad (PBUH) met Almighty Allah by traveling in the sky at night of the 26th Rajab. This year, that night falls on February 18 (Saturday). Arabic month 'Rajab' is a special and glorious month of the Hijri year. This month comes with the arrival message of Ramadan. So we have to prepare for Ramadan from this month of Rajab. The great feature of this month is that this month is one of the four honourable months (Al-Ashur Al-Hurum) given by Almighty Allah. Islamic Foundation is going to hold a meeting, doa and munajat at Baitul Mukarram National Mosque at 1.30 pm today highlighting the significance of Shab-e-Meraj.
