Online Desk : Garment workers have blocked Dhaka-Mymensingh highway since Wednesday morning after the death of one of their fellow. Around 8AM, workers of Golden Refit Garments Ltd started a protest that led to the highway blockade. Jannatul Ferdous Tamanna, 32, an employee of the garments, was killed in a road accident while crossing a road in Gazipur Sadar's Bagher Bazar area around 5:40AM. But the factory authorities denied that Jannatul was their employee, the workers alleged.
