

78 killed, 320 injured in Israeli strikes: Iran's UN envoy

June 14, 2025

Online Desk : Israel's strikes on Iran have killed 78 people, including top military commanders, and wounded more than 320, the Islamic republic's ambassador to the United Nations said Friday.

“So far, 78 people, including senior military officials, have been martyred and over 320 other injured. The overwhelming majority of them (are) civilians, including women and children,” Iran's ambassador to the UN Amir Iravani told the Security Council.
