

NCP to launch month-long July Padajatra' campaign from July 1

June 29, 2025

Online Desk : National Citizens' Party (NCP) will launch a countrywide campaign titled 'Desh Gort-e July Padajatra' (March for Nation Building) from July 1 to July 30. NCP Convener Nahid Islam announced the programme on Sunday morning at a press conference held at the party's makeshift office in the capital's Banglamotor area, reports UNB.

"Starting July 1, we will observe the anniversary of the 'July Mass Uprising'. A year has already passed since that historic movement. While we've achieved many things, there are also disappointments. It is our moral duty to remember the historic 36 days of July and August," said Nahid Islam. He said the Padajatra will begin with a visit to the grave of Shaheed Abu Sayeed and eventually march across the country before returning to Dhaka. The party will also observe 'Anti-Discrimination Martyrs' Day' on July 16, Nahid added.
