Online Desk : Bangladesh Jamaat-e-Islami's Naye-e-Ameer Dr Syed Abdullah Muhammad Taher has demanded that the national election must be held on the basis of July charter read out by Chief Adviser Dr Muhammad Yunus. "July Declaration should be included in the constitution." Jamaat Naye-e-Ameer made this comment on Wednesday while expressing reaction over July Declaration By Chief Adviser Prof Dr Muhammad Yunus at a event held on Tuesday afternoon at the South Plaza of the National Parliament. He alleged that the July Declaration was issued without consulting the major political parties. It would have been better if they had consulted with the political parties.

Muhammad Taher said, "The interim government must immediately complete the procedure of formulating the July Charter and implement it. At the same time, free, fair and acceptable elections must be arranged based on this charter."
