

German air ambulance to arrive Saturday to fly Khaleda Zia abroad

December 5, 2025

Online Desk : An air ambulance from Germany is scheduled to arrive in Dhaka on Saturday to transport former Prime Minister and BNP Chairperson Khaleda Zia abroad for advanced treatment. The Qatar Embassy in Dhaka confirmed the development on Friday, stating that the aircraft; arranged and fully funded by the Government of Qatar, will land at Hazrat Shahjalal International Airport at 5 PM on Saturday.

Although the air ambulance is operated by a German company, Qatar is bearing all costs, including rental fees and necessary logistical support, the embassy said. Authorities have already completed all required clearances for the aircraft's arrival.
