

Deepika Padukone to present at Oscars 2023

March 4, 2023

Online Desk: After the smashing success of “Pathaan”, the actress is now set to take part as one of the presenters at this year’s Academy Awards. She disclosed the news on her Instagram by posting a listing of names of presenters, along with hers.

Deepika Padukone's fellow presenters include, Dwayne Johnson, Michael B Jordan, Riz Ahmed, Emily Blunt, Glenn Close, Troy Kotsur, Jennifer Connelly, Samuel L Jackson, Melissa McCarthy, Zoe Saldana, Donnie Yen, Jonathan Majors, Janelle Monae, Ariana DeBose and Questlove.

Reacting to the post, Deepika's husband-actor Ranveer Singh dropped an angel face and clapping hands emojis in the comment section. Neha Dhupia commented, "Can't wait to watch you Deepu." Deepika's sister Anisha Padukone also joined in the celebration. The fans are also rejoicing with many congratulating and heaping praise on her success.

The 95th Academy Awards are going to be held on March 12, 2023 in Los Angeles. Moreover, Deepika was last seen in the film "Pathaan", which has hit Rs 100 crore benchmark at the worldwide box office. The film also stars Shah Rukh Khan, John Abraham, Dimple Kapadia and among others.
