**Online Desk :** After the victory in the 13th National Parliamentary Election, BNP Chairperson Chairman Tarique Rahman is scheduled to visit residences of Bangladesh Jamaat-e-Islami Ameer Dr Shafiqur Rahman and National Citizen Party (NCP) Convener Nahid Islam in an effort to bring a positive shift in political trends.

Around 7PM on Sunday, he will first visit Shafiqur Rahman's residence in the Bashundhara Residential Area and, later, will then go to Nahid's residence on Bailey Road in the capital, said BNP Media Cell sources.

Party insiders said the visits form part of an initiative to promote a new political culture in Bangladesh – one that values mutual respect among competitors in the aftermath of electoral contests.
