March 9, 2023

**Online Desk:** One of the most heavily-anticipated youth events, the Joy Bangla Concert returned today after a two-year gap due to the coronavirus pandemic. The concert features a wonderful line up featuring both iconic and emerging bands in the country such as Artcell, Avoid Rafa, Lalon, Chirkutt, Cryptic Fate, Karnival, Meghdol, Nemesis and Arekta Rock Band.

Just a short while back, the Honourable Prime Minister, Sheikh Hasina could be seen in attendance at the concert. In the concert's livestream on YouTube, the PM could be seen enjoying the performance of Cryptic Fate, as their frontman Shakib Chowdhury sang some of the band's most beloved songs.
