

Four metro rail stations to open this month

March 9, 2023

Online Desk: The Mirpur 11 and Kazipara metro rail stations will be opened on March 15 and Uttara South and Sewrapara stations in the last week of this month.

Dhaka Mass Transit Company Ltd (DMTCL) Managing Director MAN Siddique revealed this information during a press briefing on Thursday. He said the metro rail service will operate at full capacity from July this year on the Uttara-Agargaon route.

After all the stations are operational, the service period will also be extended gradually. He said the metro rail will run from dawn to midnight when the full service is launched. He also said a total of 7.9 lakh people used the service till on Wednesday and the authorities earned Tk 4.76 crore from the service.
