

The Evolution of Live Dealer Games in Casinos

August 28, 2025

Live dealer games have revolutionized the online casino landscape, offering players with an captivating experience that imitates the atmosphere of a physical casino. Since their debut in the early 2010s, these games have achieved huge popularity, with a two thousand twenty-three report by Statista revealing that the live dealer category is anticipated to increase by 25% yearly.

One notable individual in this transformation is Martin Carlesund, the CEO of Evolution Gaming, a top provider of live casino solutions. Under his guidance, Evolution has broadened its products to feature novel games like Lightning Roulette and Crazy Time. You can follow his insights on his [LinkedIn profile](#).

In two thousand twenty-two, the Venetian Resort in Las Vegas introduced a state-of-the-art live dealer environment, allowing players to interact with real dealers via clear video transmission. This project not only boosts player participation but also fills the chasm between online and land-based gaming.
