

# EXCLUSIVE Definition & Meaning

January 10, 2025

It can be applied in many different contexts, but almost all of them have to do with there being a limit on something, especially on how many people have access to something. Exclusive can be thought of as an adjective form of the verb exclude, which means to shut out or keep out—the opposite of include. Exclusive is most commonly used to describe things that are limited to certain people. The local newspaper got an exclusive interview and broke the news. These words help you understand the difference between limiting access and opening up a space for everyone.

There is a velvet rope at the door, and people without a ticket cannot enter.

By its nature, something that is exclusive leaves people out, or excludes them. The only way you might get reservations at one of the most exclusive restaurants in Los Angeles is to become friends with the maitre d', or become famous. Exclusive often means something is unique, high-quality, and limited. For example, an exclusive interview is when just one reporter gets to talk to a celebrity.

## Other Word Forms

“The reputation we’ve built means that artists who wouldn’t have seen the North West as a market where they could play [smash casino](#) one-off shows are now coming and bringing those exclusives to us.” To make the work easier, Elizebeth granted Clark exclusive access to the records in the Marshall Library.
