

PM hands over 39,365 more houses to homeless

March 22, 2023

Online Desk: Prime Minister Sheikh Hasina has handed over 39,365 more semi-permanent houses under Ashrayan-2 project to landless and homeless families as part of the government's target of ensuring housing for the landless and homeless people. The Premier joined the distribution programme.

This is the fourth phase of the Ashrayan-2 project while 63,999 houses were distributed in first phase, 53,330 in second phase and 59,133 in third phase. With the distribution of 39,365 more houses, the total number stands at 2,15,827 under the Ashrayan-2 Project.

Under the project, the landless and homeless people got tin-shed semi-pucca houses on two decimals of land. Each house is brick-walled, roofed with colourful tin-shed. Floors are made of concrete, while there are two bedrooms with a tin canopy, a kitchen, a toilet and an open front porch.
