Online Desk: Noted actor Chanchal Chowdhury recently praised his fellow actor Mosharraf Karim and the entire team of “Mohanagar 2”, with a heartwarming post on Facebook, that is being appreciated by fans.

“In terms of acting, there is nothing new to say about Mosharraf Karim, as he is a born actor. Instead, I will talk about ‘Mohanagar 2’ and how Ashfaque Nipun has blown away the audience with its outstanding trailer,” said the actor.

The “Hawa” actor stated that he is overwhelmed by the numerous surprises and twists shown in the trailer and is super excited to see some of the new faces joining the series.

“Nipun has done a brilliant job and has superseded his previous work. I am really impressed by his work and am super excited to watch it. I was seriously awestruck by Dibbo Jyoti’s stunning shots. Fazlur Rahman Babu is one of a kind, he knows how to steal the show with his outstanding acting. Shamol Mawla is a powerful actor and I want to see him excel further in showbiz. I am waiting in anticipation to watch what new twists and turns come in the latest season,” read his post.

The actor emphasised how the success of “Mohanagar 2” will further accelerate the future of Bangladesh’s OTT landscape and that the whole industry will benefit through their series.

“We all want to show good work to the audience. I want the younger generation to take charge of the baton of our relay race and move towards success. I am saying this as we often feel shy to praise potential artists, who can take the industry to the next level. May good work be showcased more in OTT. I am really happy that Hoichoi Bangladesh is with us on the journey of OTT,” concluded Chanchal’s post.
