December 24, 2022

The Daily Morning Voice Online Desk: Bollywood actor Abhishek Bachchan has responded to Bangladeshi author Taslima Nasreen’s claim that veteran actor Amitabh Bachchan believes his son inherited all of his talents and is the best. Taslima Nasreen also stated on Twitter on Thursday that Abhishek is not “as talented as” Amitabh. Amitabh Bachchan ji loves his son Abhishek Bachchan so much that he thinks his son inherited all his talents and his son is the best. Abhishek is good, but I do not think Abhishek is as talented as Amitji,” the tweet reads.

Reacting to the tweet, Abhishek replied, “Absolutely correct, Ma’am. Nobody comes close to him in talent or anything else for that matter. He will always remain ‘the best’ ! I am an extremely proud son.”

After Amitabh Bachchan congratulated his son on winning the Best Actor Award in the Web Original Film-Male category at the Filmfare OTT Awards 2022 for his performance in “Dasvi,” Nasreen tweeted this. Abhishek was last seen in Season 2 of the psychological thriller web series “Breathe: Into the Shadows”. It was released exclusively on Prime Video on November 9.
