

# Chinese worker at Patuakhali power plant dies

December 26, 2022

**The Daily Morning Voice Online Desk:** A Chinese worker at the 1320 MW Second Thermal Power Plant in Patuakhali's Kalapara upazila has died. The deceased was Zhou-Juping, 52.

The co-workers of the victim took him to Kalapara Upazila Health Complex in an unconscious state around 5pm on Sunday. But, on arrival, the on-duty doctors declared him dead. Md Jasim, officer in-charge of (OC) of Kalapara Police Station, said that the cause of Zhou's death is yet to be ascertained. "We are investigating the matter," the police official added. In this regard, several phone calls were made to Redwan, executive engineer of the plant. But he did not respond.
